MRS. BEVERLY  
DEIROCINI

*HS English Teacher*

Beverly Deirocini was born just outside of Los Angeles, California but moved around quite a bit as a child. She recounts having lived in nearly twenty different homes in her life - mostly in Florida, North Carolina and Virginia. Beverly's dad owned the original Angel's Diner in the 1990's on Lee Road and now owns several Subways. Beverly worked in the family Subways as a sandwich artist and cake decorator during her high school years in North Carolina.

Beverly always liked to be outdoors – playing tennis, white water rafting and hiking. Beverly played basketball in high school and early in her teaching career was even a JV basketball coach. Beverly always enjoyed school and knew even as a little girl that she wanted to be a teacher. She said you could find her as a child teaching her stuffed animals. In college, Beverly had a double major in English and Psychology. She has been teaching for over five years; we welcomed her to the TMA teaching staff last year. She thoroughly enjoyed her high school students and teaching at the AP level.

Beverly married her husband, Brent, two years ago after they met at a singles event at Northland church. Brent is a systems administrator for RSR Group. They enjoy doing home improvement projects, playing tennis, cooking together, reading and they are very involved in a small group at Northland church.
