

**TMA Lower School
Fall Soccer 2009**

This letter is about Fall Soccer in the upcoming year. Early registration will allow us to have the teams and coaches in place once we get back after the summer break. Just imagine coming back to school ready to go, having a coach in place and practices starting right away. TMA soccer is open to any student in grades K4 through 5th grade.

Registration is currently being accepted online at www.acys.org. Go to the soccer link and scroll down and click "Register Now." If your child has played with ACYS in the past you just need to log on and enter your user id and password. Those new to ACYS must open an account.

Those who would like to sign up manually must get a copy of the registration form and mail it along with payment to ACYS. Manual registrations are an additional \$20.00. Forms will be available at the school office. TMA will not accept any manual registrations.

Cost for the season is only \$80.00 (provided you sign up before the early online deadline). Those who played last year will not need to purchase a uniform. Those new to TMA or those who want to order a uniform may do so at an additional \$30.00. The full uniform set includes numbered shirt, shorts, and socks.

Practices are held usually one day a week after school on the school fields. Games are usually held on Saturdays with the possibility of Friday evening games. This fall ACYS has told me that they will be scheduling games here on our fields. Some if not all of our TMA teams will have games played here. There will also be some games at Trotter's Park. Everything will depend upon how many teams are in a specific division.

Spaces on teams are filled on a first come basis. Younger children (K4 through 2) will be placed on teams with their classmates. In the older divisions (3rd grade and older) if we get multiple teams I will meet with the coaches and together we will form the teams. To make things fair for the children I cannot guarantee children playing for a certain coach or with a certain classmate.

I have included the Age Group Divisions and the Birth Year Range. Please make sure when you register your child you are placing them on the correct age group. ACYS Soccer goes by age and not grade.
