- **Games, food, lots of fun**
- **Lots of volunteers needed for the games and lunch**
- **Want a blessing? – Volunteer! This is not a spectator event, but one where lots of volunteers are needed particularly on Wednesday and Thursday to help all students**
- **If you were not able to make the meeting, when you arrive to help, we will assign you an event; all helpers have break times to watch their own children's classes**

## SAT Testing

A good way to help your child with national standardized testing – ensure your child is in school and on time daily! Concepts and exercises are being presented all year long that appear in testing. All knowledge builds on earlier learning. When students are absent frequently or tardy repeatedly, learning is hindered. Attendance is important! During the testing days, attendance is also important. Some tests cannot be made up due to lack of time.

Testing success formula – eat well, gets lots of sleep, exercise, and be in school on time.

Testing – a fun time!

## Prayer Requests

Lisa Bromfield – recovering from surgery  
Mrs. Smith (third grade teacher) – death of her aunt

## Coach's Corner

ACYS Basketball - The regular season has ended. A special thanks to all the coaches, assistant coaches, and team moms who have helped make this season a great one. Playoffs will begin this week for all those teams (3<sup>rd</sup> grade and higher) that have qualified. Check with your child's coach about the playoff times and locations. You can also go to [www.acys.org](http://www.acys.org) and find the information there.

Girls Volleyball - We will be starting up our girls volleyball intramural program on Wednesday, March 17. Registration is closed and Coach Mecca has sent a confirmation letter to those girls who have made the program.

Goldenball K5-1 - Registration has closed for the of goldenball intramural program for all K5 and 1<sup>st</sup> grade students. The session will meet on Mondays and begins March 15, and will conclude April 12.

Mat Ball - All students in grades 4 and 5 are invited to play our intramural sport "Mat Ball." Mat Ball is a fast-paced game that has a little soccer, kickball and baseball combined to make it a student favorite. Play will begin Tuesday, April 13 and the season will last four weeks. Registration forms will be sent home shortly.

Coming soon....
