

TMA Used Uniform Sale...it's back!

Saturday, May 30th
Open buying - 9:00 – 11:00 am

EVERYTHING YOU NEED TO KNOW ABOUT SELLING & BUYING USED UNIFORMS

SELLING TIPS

You get the opportunity to sell your own uniforms!

Set-up and pre-sale for sellers: 8:00 – 9:00 am, Saturday morning – you will have time to set up and do your own buying prior to the doors opening for buyers only. Each individual will be allotted a 4 foot by 4 foot area to display clothes. Groups may have additional space, but need to identify all sellers from the group to receive additional space.

You will need:

1. **Email intent to sell to LaurelRoss@MastersAcademy.org, by May 22nd.** The subject should read “**Uniform Sale.**” Please include your name, phone number, and where you would like to be placed for selling in the gym – LS items, US items, or Both LS and US items.
2. Table (no longer than 4ft.unless selling as a group) or rack to display your clothes. Chairs will be provided.
3. All sale items clearly marked girl/boy, size, and price using dollar increments – no change, for example: \$5.00 not \$5.50. Price tags should be safety pinned to the upper right front for each garment. As items are sold, tags should be removed and kept by the seller. Price tags should be printed from the TMA website.
4. A form/sign to hang on or near your area that lists everything you are selling. Items are listed by color and size and should be crossed-off as sold. An example is found on the TMA website.
5. You will need \$1s, \$5s and \$10s to make change for your sales.
6. An adult must be present at your table at all times.
7. Only TMA uniform items, fine arts uniforms, and sports uniforms (including cleats) can be sold (no theme or Fun Day T-shirts). ALL should be clean and in good condition. Heavily faded, torn, etc. will not sell.
8. Suggested pricing: Items less than one year old, half price of the original cost or less. Items two years old or older should be less than 50% of the original cost.

Remember that BETTER pricing is more likely to sell. Of course, you may price your items however you wish. You can alter/bargain the prices on sale day.

9. Items that do not sell take with you as you clean up your area.

BUYING TIPS

1. Cash only - \$1, \$5, and \$10 denominations.
2. Keep your children with you. As in the past, they will not allowed on the playground or roaming the buildings or grounds.
3. Girls and boys' restrooms will be available to try on clothes.
4. Most items can be purchased at approximately one-half to one-fourth or less the original price depending on the age and condition of the garment.
5. If your children try on uniforms, be sure to return to the table for purchase or return if the fit is not correct.
6. Bring a bag to carry all of the items you were able to purchase!
7. Enjoy, be blessed, and thank you TMA families for participating! Have fun with each other at this last opportunity before separating for the summer.
