## FAQ's

- Who benefits from this sale?** \* Families DONATE unneeded items. Other families PURCHASE gently worn clothing at a nominal cost. FINE ARTS STUDENTS reduce travel expenses through this fundraiser.
- How do I donate?** \* Place **clean, usable items** in a bag, Label it "FINE ARTS" and drop it off in the school office or Fine Arts Dept. office.
- Can I try on the clothing.** \* **Clothing is not located on campus and is not available for try-ons. Please get sized in the DENNIS SHOP.** If try-ons are necessary, there is a parent sale each May, or purchase new items.
- What if something is damaged?** \* These are USED uniforms so minor spots, pin holes, or fading may occur. We do inspect items carefully. However, in the very rare case that we missed a giant hole or rip, do contact us. For 'like new' clothing ~ visit the new uniform shop.
- Are both shops the same?** \* No. New uniforms are in the on-campus store. RESALE uniforms are used and are donated for re-sale. Not on campus.
- How is the list set up?** \* By item, size, color. If an item is listed once, we have one. If listed twice, we have two. If not listed, we have none. **PLEASE HIGHLIGHT THE ITEMS YOU WISH TO PURCHASE**
- How much do items cost?** \* \$5 per item. (fleece jackets are \$20)
- Will I get an excellent item?** \* Items are shelved with the best of the selection on the top. We fill from the top, so you will always get the best quality that we have available, making returns unnecessary. Occasionally you will get a new item. If this occurs, count yourself blessed! If an item is more worn than you desire, it is still the best that we had in that size.
- Am I guaranteed to get my items?** \* We can not guarantee. Items move out quickly. If you print your order form the same day that you place your order and turn it in early in the day, you have a good chance of getting what you order. Credits are posted if we are out.
- How often is this sale?** \* It is ongoing. The list is updated when donations come in or items are sold. It is always posted on the web site so that you can easily access the information and print order forms 24 hours a day.
- How are orders filled?** \* Filled as **FIRST COME** - by orders placed in the Fine Arts Dept Mailbox in the upper school office. If an order is missing something (payment, email address, grade, etc) or is not highlighted, then it is moved to the bottom of the daily stack. In fairness to all, complete orders are processed first.
- May I order by email or phone?** \* In fairness to all, orders are placed in the Fine Arts Dept. mailbox. Email and phone requests are directed to the web site.
- When will I get my order?** \* Generally within a couple of days of receipt of the order. However, this is a volunteer operation. If the Department is in the middle of a production or students are off on a trip, the orders may be delayed or the list is temporarily pulled from the web. If a legible email address is provided, we try to notify you that your order is ready for pickup.
- WHERE will I get my order?** \* Upper School students are called to the Fine Arts Office. Lower School orders are sent to the LS Office. If no grade is listed, orders remain in the Fine Arts Office.

**HOW DO I ORDER?** (1) Print a current form, filling out complete information (2) Know your sizes and needs (3) HIGHLIGHT your selections (4) Attach your payment (5) Review for accuracy (5) Place order and payment in a sealed envelope marked "Attn Judi Tome" (6) Send it to the Upper School Office

**NOTES**

~ Plan Ahead ~ Purchase early for next year! Share the good news!  
 ~ Phone ~ Due to the volume of phone messages lately, please understand that calls will be returned if it is evident that the ordering information has been read prior to leaving a phone message. 90% of the questions were answered on this form.  
 ~ SIZING REMINDER - these uniforms are NOT stored on campus and are NOT available for try-ons or returns. Get your DENNIS BRAND SIZING BEFORE ORDERING from resale, since we do not accept returns for wrong sizing. ALL orders are filled on a first come basis to the Fine Arts mailbox ONLY. There is no 'same day' service, but we do our best to get items to you quickly, based on the fine arts event schedule. (Thank you for the many donations received during J-Term. We are processing them!)
