

About the Classic

A Sporting Clays event is very similar to a “foursome” golf tournament. Teams of four individual shooters compete to post the highest average team score. Targets are thrown at various angles and speeds to simulate the flight patterns of various fowl or wildlife. Each team will drive to each of the 16 stations around the course in their own team golf cart and of course there will be beverage carts roaming around the course to keep the players hydrated.

We invite you to enjoy a day of camaraderie with friends and family while competing at one of the most iconic sporting clays clubs in the State of Florida.

The TMA Sporting Clays Classic offers a fun day of shooting for both experienced and novice shooters. This event is a great opportunity to network with other business leaders, and socialize with clients, colleagues and peers. It’s also a great event for parents to experience with their children (age 14+).

Show your support by joining us for this memorable event. Enter your team and come experience what everyone will be talking about until next year’s Sporting Clays Classic.

SOAR EAGLE!
