THE MASTER'S ACADEMY

FRESHWATER FISHING TOURNAMENT

Dear Sponsor,

TMA is excited to partner with you to facilitate the 3rd Annual TMA Freshwater Fishing Tournament. Our goal is to provide an event for friends and families to enjoy the great outdoors in a fun, competitive atmosphere. We had over 200 participants in last year's tournament, and we are expecting an even greater turnout for 2022!

Your sponsorship helps provide an extraordinary experience for people of all ages to fish throughout Central Florida. The tournament will be managed and run through the FishDonkey mobile app, which will allow participants to post pictures of their catch and view live leaderboards throughout the 16-day tournament.

Sponsors' logos will be displayed in the mobile app, on various social media platforms and on the TMA website. In addition, several signs will be placed throughout the school's campus in recognition of your valued support.

Sponsors and Donors will make a lasting impact in the Central Florida community through the support of this great event.

We look forward to partnering with you in our efforts to support TMA while also providing an opportunity to enjoy the great sport of fishing!

Thank you in advance for your sponsorship!

Respectfully,

Marcus Mennenga
Director of Advancement
The Masters Academy
